Schmeck den Süden
Gastronomen
Baden-Württemberg

THE TASTE OF BADEN-WÜRTTEMBERG

Our conviction has always been to buy local and seasonal. Now we found our kind in our region – the association „Schmeck den Süden“.

To make it easier for you as guests we now label our local dishes with the Lion of Baden-Württemberg. All the ingredients are from this region exclusive. Merely products used for decoration or topping are allowed to be sourced from different regions.

To support local farms means short transportation and freshness of the products. Local cooking is seasonal cooking: you'll get on the plate what is growing in our gardens at the moment. That is the philosophy of the „Schmeck den Süden“ restaurants. This is what we stand for and get tested on a yearly basis from an independent institution.

Our suppliers from our menu are:

-  Fresh fish: Ermstalfischerei Bad Urach
-  Lamb specialities: Schäferhof Stotz, Münsingen
-  Pork and beef: Metzgerei Failenschmid, St. Johann
-  Poultry: Geflügelhof Nothacker Neubulach - Schwarzwald
-  Flour and eggs: Hofgut Martinsberg, Rottenburg
-  Goat cheese and lentils: Die Käsmacher, Weil im Schönbuch
-  Salad, vegetables, fruits: Schmidgärtnerei, Tübingen
-  Cheese: Hohensteiner Hofkäserei, Hohenstein

All prices are in Euro including tax. Tip/ gratuity is not included.
